

## CAREER OPPORTUNITY

### Planning & Decision Support Analyst

**LOCATION: Flin Flon, The Pas, or Thompson, MB**

(Position can be based at any of the three sites)

#### **SUMMARY**

The Planning & Decision Support Analyst is a regional position responsible for coordinating Planning & Decision Support services within the Northern Health Region. The position will provide a central resource and support role to all departments and teams within the RHA for evidence-informed planning and promotion of a population health approach to the development of organizational priorities, strategies and programs to address the health of the community.

#### **QUALIFICATIONS**

- Master's Degree in Health or Social Sciences, or a suitable combination of education and experience relevant to the position
- Valid driver's license and a willingness to travel throughout the region.
- Experience in strategic and operational planning
- Experience in performance measurement and the acquisition of regional, provincial and national data
- Experience in conducting a Community Health Assessment.
- Excellent knowledge of Windows based programs (Microsoft Word, Excel, Outlook) and Internet
- Two (2) years' experience in directly related position preferred
